Purchase and Sale of Second Hand Uniforms

From time to time second hand uniform items may be available for purchase in the uniform shop and the school may, at its discretion, accept second hand uniform items for resale. To be accepted for sale the items must be clean and in excellent condition, of the current style and brand that is stocked in the shop. Items for resale that fit the criteria above must be dropped off at the uniform shop during the regular operating hours in a bag with the family name written on it. Any items left that are not suitable for resale, or have not sold within a reasonable length of time, may be donated to families in need or disposed of. Proceeds of the sale of second hand uniforms will be credited to the family via the student's fee account for all current students. There is a 30% handling fee for this service.
