

Bus Service

Welcome

Prescott College Southern is proud to partner with Willunga Charter to provide safe and reliable bus services across all of our routes. These services enable convenient student pick-up and drop-off at public bus stops located as close to home as possible along designated routes.

We have chosen Willunga Charter as our transport partner because they are a South Australian, family-owned and operated company with over 45 years of experience specialising in school bus transportation. Their long-standing reputation includes servicing a wide range of independent and government schools throughout the southern suburbs.

Willunga Charter operates a modern fleet of seat belt-equipped buses, supported by real-time journey monitoring, ensuring that families can trust both the safety and efficiency of their child's travel to and from school.

Bus Passes and the Willunga Charter App

The Willunga Charter system uses a smart card for students to tap on and off the bus. Through the Willunga Charter app, parents can monitor their child's journey in real time and receive instant notifications when their child has boarded or alighted.

The app also provides access to travel history, enables parents to submit lost property requests, and offers a direct channel for feedback to Willunga Charter.

The Willunga Charter app is available for download from the Apple App Store and Google Play by searching 'Willunga Charter'. If you experience any difficulties accessing the app, you are welcome to contact Willunga Charter directly for support.

SCHOOL BUS MANAGEMENT

The school manages all aspects of the bus service. Students are allocated to a bus route based on parent requests, and fees are invoiced each term.

If you need to change your child's bus route, please submit your request to the school as early as possible to allow sufficient time for processing. All bus service requests are subject to seat availability on the chosen route.

For enquiries regarding the school bus service, please contact the school on 8381 4290 or email office@prescottsouthern.sa.edu.au.

WHAT TO DO NOW

- **Bus Request Survey:** Complete online at Bus Request Survey AT <https://forms.gle/gKp7E4PNpgw2suy59> or scan the QR code below.
- **Smart Cards:** Collect from Student Reception before using the bus. Cards are individual (not shared).
- **App:** Parents are encouraged to download the Willunga Charter App to monitor journeys.
- **Replacement Cards:** Lost/damaged cards can be purchased from the Finance Team for \$5.50. First card is free.

IMPORTANT NOTES

- Arrive at pick-up points 5–10 minutes early each morning.
- Be prompt after school – buses depart at 3.30pm sharp.
- Students in Year 4 and below must be met at the stop by a parent/carer (unless with an older sibling).
- If a bus is missed, parents should follow the route and meet their child at the next stop.
