

Out of School Hours Care

Welcome

Before your child attends their first session at Prescott College Southern OSHC, we invite your family to visit the centre together. This orientation visit is a wonderful opportunity to explore the space and see the facilities, meet our friendly educators and ask any questions you may have about the daily routine. These visits help both parents and children feel comfortable, confident, and prepared for the transition into care.

We understand that every child is unique. We are committed to supporting your child's individual needs, whether they require help easing into the routine, building new friendships, or adjusting to the new environment. If there are specific things we can do to help your child settle in, please let us know. We are here to ensure they feel safe and happy.

At PCS OSHC, we deeply value your input. Your questions, suggestions, and feedback are vital in helping us create the best possible experience for your child. Please do not hesitate to speak with our staff or share your thoughts with us at any time.

Enrolling in OSHC or Vac Care

If you're interested in enrolling your child in our OSHC or Vacation Care programs, we invite you to visit the school's front office to collect an enrolment pack. This information guide outlines our services and is designed to support you through the next steps of the enrolment process.
